Austerity Vintage Minis

Excellent concise insight into the self defeating and ridiculous policy of austerity. Varoufakis's rich vernacular disassembles the erroneous economic logic underpinning austerity and frames it in a manner easily accessible to the average person. Highly recommended for those interested in understanding the political logic behind the near global ...

Austerity policies have taken a hit lately with the discrediting of the Reinhart/Rogoff study. Not to mention voters across Europe (most recently Italy) are outright rejecting it. This begs for a discussion on the topic. Is austerity coming to an end? My take on this: Cutting spending (and raising taxes) during an economic downturn is probably the worst policy response in half a century.
