Canadian History for Dummies by Will Ferguson

The Aftermath of the American Revolution. The American Revolution has had enormous effects on the development of world history since that time. We can learn a lot from exploring other events that happened following the American Revolution and from considering the reasons that this revolution, unlike many others was a successful endeavor.

History - dummies

Ferguson also puts French Canadian history in its proper perspective, e.g. by confirming Samuel de Champlain as a true visionary and rightfully condemning Jacques Cartier as a fraudster, and reminding us how really great the Voyageurs were. He also presents one of the great injustices in Canadian history.
