## **(PDF) Psychotherapy, counseling, and career counseling**

Overview. In Career Counseling, Mark L. Savickas discusses this practical, postmodern theory and approach. Career and vocational guidance have existed since the early 20th century, and have centered primarily around interest inventories and ways to match individuals to jobs. Savickas discusses this history, and the theory behind these earlier approaches and then presents a postmodern, 21st century theory of career counseling, a therapeutic form completely different from traditional ...
