Women are encouraged to "wear white all year long," while short men should "wear flat-front pants, with a slight flare." When it comes to the bedroom, Rashid encourages readers to do it anywhere and everywhere else, and, by all means, use toys. (Conveniently, Rashid designs a line of upmarket erotic appliances.)

For the time being, however, this was just a design challenge born out of getting annoyed by race and ethnicity questions. This work was done on my own time (outside of work and grad school hours). My hope, by putting this Medium post out there in the world, is that the post itself will generate more conversation and feedback so I — and others — can continue to iterate on this in the future.
