Examining Wrongful Convictions Stepping Back

It's impossible to summarize all this work in a single volume, but Examining Wrongful Convictions does a first rate job of surveying the field and peering into the future. A well-written and wide-ranging collection of essays by many of the best scholars in the field, this book is an excellent introduction to the rapidly changing body of research and writing on the causes, the effects and the means of preventing convictions of innocent criminal defendants." --Samuel Gross, University of ...

Examining Wrongful Convictions: Stepping Back, Moving ...

In Examining Wrongful Convictions: Stepping Back, Moving Forward, the premise is that much can be learned by "stepping back" from the focus on the direct causes of wrongful convictions and examining criminal justice systems, and the sociopolitical environments in which they operate. Expert scholars examine the underlying individual, systemic, and social or structural conditions that may help precipitate and sustain wrongful convictions, thereby "moving forward" the related scholarship.

Wrongful Conviction: Law, Science, and Policy: James R ...

In this chapter from the forthcoming edited volume entitled, EXAMINING WRONGFUL CONVICTIONS: STEPPING BACK, MOVING FORWARD, we offer an overview of what social and cognitive psychological research can tell us about how people make decisions about investigating, prosecuting, and adjudicating criminal cases. In particular, we examine the factors that can undermine the reliability of the judgments made at each of these stages of the criminal process, and how these phenomena might contribute to ...
