### Lettering Large The Art And

Lettering Large corrects the balance, assembling a huge overview of installations, inscriptions and artworks that use the power of the printed work to make their point. Whether letters are cut, carved, painted or punched, the book looks at ways in which typography and the built (and natural) environments have come together, with new works supported by plenty of historical precedents.”

### Lettering Large: The Art and Design of Monumental ...

These mammoth words fascinated Steven Heller and Mirko Ilić, co-authors of the new book Lettering Large: Art and Design of Monumental Typography (The Monacelli Press). The duo documented hundreds of examples writ large in art and architecture and delved into society’s collective interest in tall type.

### Steven Heller and Mirko Ilić’s new book, Lettering Large ...

This is such an amazing book. It is equally great with pictures and text information. It is perfectly separated in sections by type of lettering. It first gives history and then goes into typical lettering, 2 dimensional lettering integrated into buildings and then 3 dimensional lettering as art. I highly recommend this book!

Hand lettering is an art form that focuses on drawing/illustrating the letters. Calligraphy is an art form that focuses on the beautiful writing of letters. Typography is an art form that arranges letters (fonts) in a clear, readable, and visually appealing manner. Remember - the difference is in the process, not the end result.

### The Difference Between Hand Lettering And Calligraphy ...

Lettering can be simply defined as “the art of drawing letters”. A lot goes into making lettering look right, and that’s an entirely different topic, but the concept is very simple: a specific combination of letterforms crafted for a single use and purpose as opposed to using previously designed letters as components, as with typography.
