Start Here!™ Learn Microsoft® Kinect API [Book]

Start Here! Learning the Kinect API is written in a way that takes things slowly and does a little bit of hand-holding, but it is expected that the reader already have some programming knowledge. I do most of my programming in C#, not having really touched C++ to speak of for years and I had no problems following along (even for the WPF parts, although I hadn't used WPF before), but if you don't have a working concept of code syntax, you won't be able to get much out of this book, aside from ...
